PART I GENERAL PROVISIONS

Section 101 Introduction

The Plaintiff, Equal Employment Opportunity Commission (“EEOC” or “Commission”), and Defendant Area Temps, Inc. (“Area Temps” or “Defendant”) have agreed to resolve this action by the terms of this Consent Decree (“Decree”).

On September 27, 2007, the Commission brought this action under Title VII of the 1964 Civil Rights Act, as amended, 42 U.S.C. §2000e, *et seq.* (“Title VII”), Title I of the Civil Rights Act of 1991 (“CRA of 1991”) and the Age Discrimination in Employment Act, 29 U.S.C. §621, *et seq.* (“ADEA”) to correct unlawful employment practices on the bases of race, sex, national origin, age and retaliation for protected opposition and participation activity and to provide appropriate relief to Kevin Duffy, Ana Lopez and a class of individuals who applied for temporary employment with Area Temps and who were affected by Defendant’s alleged discriminatory practices.

The EEOC’s Complaint alleges that: Defendant failed to refer individuals for temporary employment based on their race, sex, national origin, and age; that Defendant classified its applicants and temporary employees based on their race, sex, and age; and that Defendant complied with discriminatory requests made by its clients for temporary employees based on race, sex, and age. The EEOC’s Complaint further alleges that Defendant discharged Duffy and Lopez in retaliation because they opposed Defendant’s discriminatory practices and because Lopez participated in an EEOC investigation. The EEOC’s Complaint also includes alleged record keeping violations of Section 709(c) of Title VII, 42 U.S.C. §2000e-8(c) and Section 7(a) of the ADEA, 29 U.S.C. §626(a).

Through this action, the Commission sought injunctive relief and monetary damages for individuals affected by Defendant's alleged discriminatory acts.

Section 102 Purpose of the Decree

A. This Decree pertains only to the EEOC and Defendant Area Temps. Terms of any settlement(s) between Plaintiff-Intervenors, Area Temps and other Defendant(s) are contained in their separate settlement documents, except as provided in §301(A). The EEOC and Defendant Area Temps desire to settle this action, and therefore do hereby stipulate and consent to the entry of this Decree as final and binding between them and their successors and assigns, which includes any proprietorship, corporation or other entity into which Area Temps may merge, consolidate or be acquired or transferred in whole or part.

B. Defendant Area Temps shall provide prior written notice with a copy of the EEOC's Complaint and a copy of this Consent Decree to any potential successors, assigns, and any other proprietorship, corporation or other entity into which Area Temps may merge, consolidate or be acquired, including any court ordered or approved acquisition, such as and without limitation, any insolvency, bankruptcy, marshalling, receivership, dissolution, sale or windup proceeding ("successors" and "assigns").

C. This Consent Decree resolves all claims and issues raised in EEOC's Complaint, for which EEOC Charges 220-2005-00901 (Age Directed), 220-2005-00206 (Kevin Duffy) and 220-2005-01114 (Ana Lopez) served as the jurisdictional prerequisites in this action. The Decree does not resolve any charge of discrimination currently pending before the EEOC, or any charge that may be filed in the future, other than the three (3) charges listed above. The Commission reserves all rights to proceed

regarding matters not covered in this Consent Decree.

D. The terms of this Consent Decree represent the full and complete agreement of the EEOC and Area Temps. Those parties agree that this Decree may be approved and entered without Findings of Fact and Conclusions of Law being made and entered by the Court.

E. This Decree, being entered with the consent of the EEOC and Area Temps, shall not constitute an adjudication or finding on the merits of the case and does not constitute an admission by Area Temps to any violations of Title VII of the 1964 Civil Rights Act, the ADEA or any other law enforced by EEOC. Nothing contained in this Consent Decree shall be interpreted or construed as evidence of an admission of liability, or a waiver or release of any claim, except as expressly provided herein. Notwithstanding the foregoing, the Consent Decree may be used by the EEOC or Area Temps in any proceeding in this Court to enforce or implement the Consent Decree or any orders or judgments of this Court entered into in connection therewith.

Section 103 Prohibited Conduct and Injunction to Not Discriminate

A. Area Temps, its successors, assigns and managers, officers and agents acting on its behalf are hereby enjoined from discriminating against any applicant or temporary employee because of the individual's race, sex, national origin or age 40 or over. This injunction includes, but is not limited to, the following:

1. Hiring, firing, selecting, placing temporary employees;
2. Complying with discriminatory requests for temporary employees made by its clients;
3. Refusing or failing to refer applicants or temporary employees due

to presumed or inferred discriminatory client preferences;

4. Classifying or segregating its applicants and temporary employees based on their race, sex, national origin or age 40 or over.

B. Area Temps, its successors, assigns and managers, officers and agents acting on its behalf are hereby enjoined from retaliating against any individual because that individual is a beneficiary of this Decree, has filed a charge, made a complaint, otherwise opposed discriminatory employment practices or has provided information, assistance, or participated in any other manner in an EEOC investigation, including refusal or failure to destroy relevant documents, or in the litigation of this matter.

C. Nothing in this Consent Decree shall be construed to limit or reduce Area Temps' obligations to comply with the statutes enforced by the Commission: Title VII of the 1964 Civil Rights Act, as amended, 42 U.S.C. §2000e, *et seq.*, Title I of the Americans with Disabilities Act, 42 U.S.C. §12101, *et seq.*, the Age Discrimination in Employment Act, 29 U.S.C. §621, *et seq.*, and the Equal Pay Act, 29 U.S.C. §206(d).

Section 104 Jurisdiction

A. The EEOC and Area Temps agree that this Court has jurisdiction over the subject matter of this litigation and the parties for the duration of this Decree that venue is proper, and all administrative prerequisites have been met. No party shall contest the validity of this Decree or the jurisdiction of this federal district court to enforce this Decree.

B. The Court shall retain jurisdiction over this action for the duration of the Decree for all purposes including, but not limited to, the entering of all orders, judgments, and decrees as necessary to implement the relief provided herein. In any

action to enforce the terms of this Decree, the Court will have full authority to order any remedy the Court deems appropriate including, but not limited to, specific performance during or after the Decree's three (3) year term. Motions to invoke the Court's retained jurisdiction need not be filed during the term of the Decree so long as they are filed within sixty (60) days after exhaustion of the agreed dispute resolution procedure.

Section 105 Implementation of the Decree

The EEOC and Area Temps agree to take all steps that may be necessary to fully effectuate the terms of this Consent Decree.

Section 106 Amendments to the Decree

By consent of EEOC and Area Temps, this Consent Decree may be amended in the interest of justice and fairness and to facilitate execution of the Decree's provisions. No waiver, modification or amendment of any provision of this Consent Decree shall be effective unless made in writing and approved by EEOC and Area Temps.

In the event that changed or other circumstances make a modification of the Consent Decree necessary to ensure its purposes are fully effectuated, but good faith negotiations seeking such modifications are unsuccessful, either party to the Decree may move the Court to modify this Decree. Such motion may be granted only upon good cause shown that changed or other circumstances make such modification necessary.

Section 107 Duration of the Decree

The Consent Decree shall remain in effect for three (3) years from the date of the signed Decree's entry on the docket.

Section 108 Severability

If one or more provisions of this Decree are rendered unlawful or unenforceable as a result of a legislative act or a decision by a court of competent jurisdiction, the following shall apply to insure that the Decree continues to effectuate the intent of the Parties. The provisions of this Decree which are not rendered unlawful, unenforceable or incapable of performance as a result of such legislative act or court decision, shall remain in full force and effect, and the Parties' responsibilities shall not abate as to any and all provisions that have not been rendered unlawful or unenforceable, except to the extent that the intent of the Decree would be undermined.

Section 109 Breach of Decree

A. EEOC and Area Temps agree that they will cooperate to effectuate and implement all terms and conditions of this Decree, and exercise good faith efforts to accomplish the terms and conditions of this Decree. The Commission and Area Temps agree to confer regarding any dispute arising from the implementation of this Decree. In the event the parties are unable to resolve this dispute, any action relating to this Decree shall be filed in the Court that approves this Decree. This Decree shall be construed under applicable federal law.

B. In the event either party to this Decree believes the other party has failed to comply with any provision of it, the complaining party shall notify the other party in writing of the specific provision or provisions with which compliance allegedly has not occurred and the facts forming the basis of the alleged non-compliance. Upon receipt of such notice, the alleged non-complying party shall have 30 days to remedy the alleged non-compliance or satisfy the complaining party that the alleged non-complying

party has complied. If the alleged non-complying party has not remedied the alleged non-compliance or satisfied the complaining party that it has complied within 30 days, the complaining party may invoke the Court's retained jurisdiction by motion, with a supporting brief, requesting resolution of the dispute or the issues of non-compliance, provided, however, that such motion shall be limited to the dispute(s) and/or issue(s) as to which the parties have conferred.

The provisions of this section do not prevent a party from promptly bringing a motion to prevent a violation of the terms of this Consent Decree, which otherwise would be without meaningful remedy. In such situation, the moving papers shall explain the acts and circumstances that allegedly necessitate immediate action by the Court without first exhausting this dispute resolution procedure.

Section 110 Notices

Except as otherwise provided for in this Decree, all notifications, reports and communications to the Parties required under this Decree shall be made in writing and shall be sufficient as hand-delivered, faxed or sent by express, certified or registered mail to the following persons (or their designated successors):

Section 302 Claimants

A. Definition of Potential Claimants

Potential Claimants are any African-American, female, Hispanic or person age 40 or over who applied for temporary employment at Area Temps between January 1, 2002 and August 11, 2008 and who was not referred by Area Temps for temporary employment. EEOC will determine who, amongst the Potential Claimants, will receive relief under this Decree, which may involve creating Claimant subgroups and

subperiods.

B. Notice, Claim and Release Forms

The EEOC, either directly or through a vendor or vendors, shall provide notice of this Decree and the claims process by mailing a Notice, Claim Form and Release to each person whom EEOC, using the City Search database, has identified as a Potential Claimant. This noticing will consist of one mailing to persons whom EEOC has identified as Potential Claimants using the names and addresses listed in the City Search database, without skip tracing or other address research for mailings returned by the postal service as undeliverable.

Potential Claimants' completed Claim and Release Forms must be returned to the Claim Administrator/s and will be considered timely if postmarked within four (4) weeks of the date of original mailing by EEOC or its Claims Administrator/s to the Claimants. EEOC in its sole discretion may consider the Claims delivered or postmarked after the deadline under compelling circumstances.

Section 303 Processing of Claims from Potential Claimants

A. Determination of Eligibility and Award Amount

The EEOC shall have sole discretion to determine the eligibility of Potential Claimants under Section 302 above, based on their completed and returned Claim Form and Release, the City Search database and, if necessary, the Potential Claimant's credibility and review of additional information and documents. EEOC shall have sole discretion to determine the award amount(s) to be paid to the eligible Claimants.

The submission of a signed Release Form to the Claims Administrator/s by a Claimant shall be deemed an acceptance of a monetary award to be paid from the

Claim Fund in an amount to be determined by EEOC after all eligible Claims have been identified. Any Potential Claimant who fails to timely return a Claimant Release Form to the Claims Administrator/s will be deemed to have declined to participate in this settlement and shall not receive a share from the Claims Fund, although the EEOC in its sole discretion may consider tardy Claimant Release and Claim Forms under compelling circumstances.

B. Distribution of Funds

Within ninety (90) days of timely receipt of all signed Claimant Releases and Claim Forms, EEOC shall provide the Claim Fund all such releases and an itemization of the amount that each Claimant is to receive from the Claim Fund. Within ten (10) days of receipt of the signed Releases by the Claims Administrator/s and the itemization from EEOC, the Claim Fund shall provide the releases to Defendant and shall distribute to Claimants by certified mail with return receipt, at the addresses provided by EEOC, the portion of the Claim Fund specified by EEOC. All payments to class members shall be considered as non-pecuniary, compensatory damages for employment discrimination and not as wages. The Administrator/s shall issue an IRS form 1099 to each Claimant with their check.

Subsequent Claim Fund payments from the Defendant's three installment payments of \$132,133.34 each made to the Fund will be made to eligible Claimants as determined by EEOC no later than one hundred and twenty (120) days after deposit of each installment payment by Defendant.

C. Distribution of Undistributed and Unclaimed Portions of Class Fund

If the Claims Fund contains any undistributed and/or unclaimed funds ninety (90)

days after the mailing of the last payments to the Claimants, those funds shall be donated to the National Day Laborer Organizing Network, 675 S. Park View St. Suite B, Los Angeles, California 90057.

Section 304 Miscellaneous Provisions Regarding the Claims Process

A. Cooperation by Area Temps with Claims Process

Area Temps will cooperate with the claims process and provide timely assistance as necessary in response to reasonable requests from the EEOC and/or its agents and the Administrator/s, including timely provision in electronic format acceptable to EEOC, of the identification (names, latest known mailing addresses, telephone numbers, social security numbers) of potential Claimants as defined in §302(A) above.

B. Assistance from Administrator or Other Agents
